PERFORMANCE TEAM SERIES

2018-2019

DESIGNED FOR PLAYERS, BY PLAYERS.

Making products that athletes count on requires insight from players at all levels of the game, and from these insights our Performance Team Series line was born. Each PTS fabric has a unique look and feel, ranging from modern poly-stretch to poly-serge, which has a traditional wool look. PTS caps are designed for teams with different styles, but share performance features developed for comfort and fit to help players look and play their best. Since 1970, and for as long as the game of baseball is played, Richardson will be there to celebrate it.
